According to repeated nationwide surveys,

More Doctors Smoke **CAMELS** than any other cigarette!

Doctors in every
branch of medicine
were asked, "What
cigarette do you smoke?"
The brand named most
was Camels!

THE DOCTORS' CHOICE IS AMERICA'S CHOICE!

DR. J. H. HARRIS, M.D., "I smoke
Camels. They give me an
alert and active mind."

DR. HENRY HARRIS, "I give my
patients drugs because they
help them live."

DR. HENRY HARRIS, "Camels
are the only cigarette I've
tried. I'm hooked."

You'll enjoy Camels for the same reason
so many doctors enjoy them. Camels have
rich, cool tobacco, pack after pack, and
a flavor unmatched by any other cigarette.
Make this simple test: Smoke only
Camels for 30 days and see how well Camels
please your taste. How well they suit
your throat as your steady smoke. You'll
see how enjoyable a cigarette can be!

For 30 days, test Camels in your "T-Zone" (T for Throat, T for Taste).
