

ELECTRICAL INSTALLATION TERMS AND CONDITIONS

1. Mulvaney and Flanagan Electrical Ltd. has been appointed as the official Electrical Contractor for this show. The official Contractor is responsible to the owners, exhibition, promoters, licensing and fire authority or the safety and conformity to regulations of the entire electrical installation (both temporary and permanent). Because of this responsibility, only electrical installations constructed by the contractor will be connected to the mains distribution system. As it is essential to design a load distribution systems which will, as near as possible, provide for a balanced demand on all phases of the supply cable, Exhibitors are requested to inform the contractor of their electrical requirements as early as possible but not later than the **3rd May 2024** as they may require alterations or additions to be maintained and may also involve the Contractor in overtime working.
2. The materials used in the exhibition installations are on hire and remain the contractor's property and must be returned in good condition at the end of the exhibition. Should any client require constant mains guaranteed (i.e. computers, memory etc) we recommend that they protect their equipment with ups back up supply or similar.
3. **Please complete the online Electrics form no later than May 3rd 2024.** A structure must be provided on which your electrical supply and/or lighting can be mounted.
4. Where an exhibitor requires fittings in a specific position a sketch must be emailed directly to mulvaneyandflanagan@gmail.com. In the absence of specific instructions, all lighting fittings will be positioned on the rear of the fascia boards, and power points at floor level at the centre of rear wall.
The use of multiway adaptors is not permissible.
5. Prefabricated electrical sections of an exhibit must be inspected prior to the exhibition. No reduction in schedule rates will be allowed because of pre-site wiring.
6. Payment in full must be forwarded with this online order form. A receipted detailed invoice will be returned in acknowledgement. No orders will be processed until payment in full is received.
A VAT invoice & receipt will be issued on receipt of payment.
7. Mulvaney and Flanagan Electrical Ltd will be pleased to submit separate quotations for any electrical requirements or work not covered by this standard form, including special lighting effects, power supply, low voltage lights, LED lighting etc. Some LED lighting carry weight and stand holders may have to request stand fitter to reinforce ceiling span to carry the extra weight.
8. All display Contractors must order their requirements for their clients via the Application for Electric's Form and will be invoiced accordingly. (Exhibitors shall be responsible for any non-payment by their sub-contractor).
9. For contractors or others who wish to do their own electrical work on stands, we will be pleased to submit costings separate to the stated costings within for mains only (POA). Any stands being implemented in this method must submit certification of their installed electrics prior to show opening to the official electrical contractor. Failure to submit will result in supply being withdrawn.
